
Together We Can Be the Change

Mid-North Food Pantry continues to provide outstanding service and healthy food choices to our neighbors in need. With the help of strategic partners like Wholes Foods, volunteers from churches like Bethlehem, Mid-North Food Pantry has served 6,686 families in 2017 as of late July.

In order for Mid-North Food Pantry to continue to meet the needs of our community every week of the year, it is vital we raise \$15,000 in contributions each quarter. Are you willing to invest in our neighborhood's success? *Together we can be the change.*

Follow [this link](#) to go directly to our online giving page, which explains how much each gift accomplishes each month:

\$30 -- buys an extra twenty pounds of food for six families.

\$60 -- buys an extra twenty pounds of food for twelve families

\$100 -- buys a dozen eggs for 100 families

\$250 -- buys 1000 pounds of beans (a month's supply at the pantry)

Gifts of any amount are gratefully accepted. Please consider helping us feed our neighbors year-round by checking the box to make your gift a recurring monthly or quarterly donation.
